Dedication

of the Class of 1955

CLINTON RAY THOMPSON graduated from Bates College in 1913. President of his senior class. Ray was active in his school activities, was a football letter winner and a four year participant in track.

Following his graduation, Ray taught and coached at the Moses Brown School, Tilton, New Hampshire and at Augusta, Maine. In 1924 he returned to Bates as an instructor in history and coach of freshman athletics and four years later became the head track coach, a position in which he has served admirably and wisely.

During his coaching career, Coach Thompson has produced many winners. His two mile relay team was champion of America in the Pennsylvania Relays in 1928 and 1930, and this same team was victorious in the Intercollegiate Amateur Athletic Association of America in 1930. His cross country teams in 1929 and 1930 were New England Champions as well as champions in the state of Maine.

In 1928 one of his pupils, Arthur Sager won the Javelin in the Olympics, and Arnold G. Adams won the 1600 M. Relay in 1932. Anton Kishon was a national collegiate champion in the hammer throw in 1935, and his New England record of 154'1" in the discuss still holds today. Russell Chapman won the IC4-A championship in the 880 yard run in 1930 and is the only man to win this event four years in succession in the New Englands. Coach Thompson has had the pleasure of seeing sixteen of his men become individual New England champions in various events.

The above illustrations are just a few of the many accomplishments achieved by Coach Thompson during his tenure at Bates. He has proven himself to be a fine coach, a trustworthy friend, and above all—a man in every respect of the word. His cooperation has always been at a maximum, and no task was too big or too small for him to undertake.

After thirty years of continued devotion and service to this institution, the time has come for Coach Thompson to leave the Bates scene, as his retirement date has been reached. It is indeed an honor to dedicate this 1955 edition of the Bates MIRROR to a deserving gentleman, C. Ray Thompson.

President Charles Franklin Phillips

To the Bates student, Dr. Phillips means both President Phillips and "Prexy". The title, President Phillips, brings to mind the distinguished scholar who leads official college ceremonies. It reminds us that he holds five honorary degrees and is considered an eminent authority in his chosen field of economics. Dr. Phillips, the author of several important economics books, has also written many significant magazine articles dealing with marketing and government spending. As Deputy Administrator for Rationing during the war, he was placed in charge of all the rationing in the United States.

An active participant in both the state and national scene, President Phillips added the honor of an international mission to his other accomplishments when he went to India and Pakistan during the winter of 1953-54 under the auspices of the U.S. State Department.

On the other hand, the title "Prexy" also implies a great deal to the students. It represents the informality, the friendly smile, the personal greeting of a man who is always willing to give a helping hand or lend an understanding ear to our problems.

No matter whether we think of him as "Prexy" or Dr. Phillips, we come to the same conclusion: we are honored and proud to have him as the head of the Bates family.

F
Faculty

ROBERT A. ADDISON, A.M.
Instructor in Physical Education
for Men

"We need this one for 500."

JOHN B. ANNETT, A.B.
Assistant to the President

"Don't you think it's hot in here?"

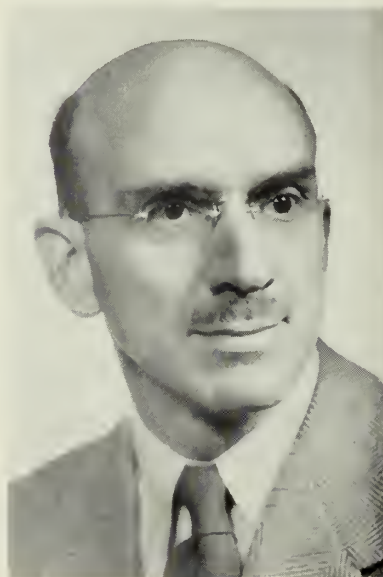

ILENE E. AVERY, A.M.
Assistant Professor of Spanish

*"You've got to put your whole
self into this."*

CARROLL P. BAILEY, M.S.
Associate Professor of Physics
"Let's check the book for notations."

ROBERT G. BERKLEMAN, A.M.
Professor of English
Secretary of the Faculty
*"Keats did it before he was 24.
Could you?"*

WALTER H. BOYCE, A.M.
Dean of Men
"The ref. forgot his rule book."

HELEN H. BRIWA, B.S.
Instructor in Physical Education
for Women

"O K., girls — time to go!"

AUGUST BUSCHMANN, A.M.
Associate Professor of German

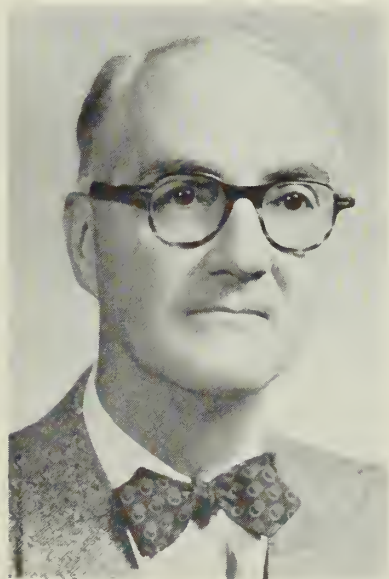

"I stand corrected."

HAZEL M. CLARK, A.M.
Dean of Women
Director of Admissions for Women

"According to the bluebook "

MARK T. CROWLEY, Ph.D.
Associate Professor of Biology
*"With regards to the salmon in the
lakes around Orono."*

L. ROSS CUMMINS, Ph D.
Associate Professor of Education
Director of Guidance and Placement
"This is just a spring-board."

JOSEPH D'ALPHONSO, Ph D.
Associate Professor of Philosophy
*"I don't know anything about it,
but I have a theory."*

JOHN C. DONOVAN, Ph.D.
Associate Professor of Government
"Let's adjourn."

PAULA R. DRAKE, A.M.
Instructor in Physical Education
for Women
"Got to read up on my rules."

ROBERT W. ELLIOTT, Ph.D.
Associate Professor of French
"I remember a fellow in the army . . ."

ROY P. FAIRFIELD, Ph.D.
Assistant Professor of Cultural
Heritage

"I'm unpredictable - -"

ARTHUR M. FREEDMAN, A.M.
Assistant Professor of Economics

"Hence . . ."

LESLIE S. FORSTER, Ph.D.
Instructor in Chemistry
*"That's the difference between a
chemist and a technician."*

MARIE A. GIURICEO, Ph.D.
Assistant Professor of Classics
"Spare time? What spare time??"

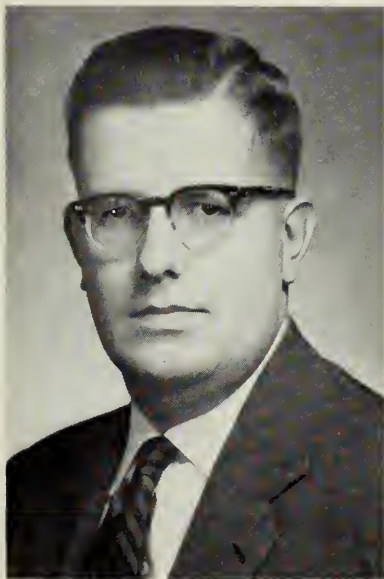

OSWYN K. HAMMOND, B.S.
Part-time Instructor in Chemistry
"You need a good imagination to see that one!"

ROBERT W. HATCH, B.S.
Instructor in Physical Education
Head Coach of Football and Baseball
"Show me!!!!"

C. JAMES HERRICK, A.M.
Instructor in Psychology
"There will be no class. . ."

RYLAND H. HEWITT, A.M.
Instructor in Speech
"At the speech conference last weekend. . ."

BOB R. HOLDREN, A.M.
Assistant Professor of Economics
"Let's remember, this is a value judgement."

BRENDA J. JENNINGS
Director of News Bureau

*"All students from the Springfield
area meet at*

PETER P. JONITIS, Ph.D.
Assistant Professor of Sociology

"I have 1:18."

RAYMOND L. KENDALL, A.M.
Associate Professor of Education and
Psychology

*"I don't dare bring my car on
campus - -"*

LAWRENCE D. KIMBALL, A.M.
Assistant Professor of French
and Spanish

*"In German, it's...; in Latin,
it's...; and in Spanish, it's..."*

WALTER A. LAWRANCE, Ph.D.
Stanley Professor of Chemistry

"It's later than you think!"

DOUGLAS E. LEACH, Ph.D.
Assistant Professor of History

*"I don't want the exact date; a year
either way is sufficient."*

G. ERNEST LEXEN, Ed.M.
Instructor in Physics
"Any questions?"

MABEL L. LIBBY, A.B.
Registrar
"Every change means a dollar."

MILTON L. LINDHOLM, Ed.M.
Director of Admissions for Men
"There's no place like Bates."

MILFORD S. LOUGHEED, Ph.D.
Associate Professor of Geology
"And by definition . . ."

LLOYD H. LUX, Ed.D.
Professor of Physical Education
for Men
"Be careful of the uniform."

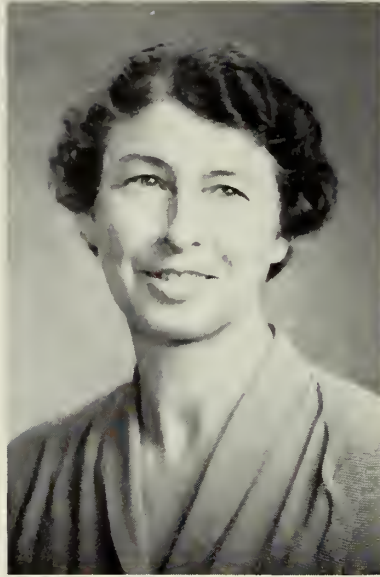

JOHN K. MCCREARY, Ph.D.
Associate Professor of Psychology
*"Quoting from a pamphlet which
I wrote . . ."*

JAMES V. MILLER, JR., B.D.
Assistant Professor of Religion
*"You have to do a term paper if
you want an 'A'."*

ELEANOR H. MORSE, B.C.S.
Instructor in Secretarial Studies
"Is that the bell already?"

ERNEST P. MULLER, A.M.
Assistant Professor of History
and Government
*"I don't mean to seem cynical,
however..."*

ANDERS M. MYHRMAN, Ph.D.
Professor of Sociology

"If you're only a little confused"

CHARLES F. PHILLIPS
Ph.D., LL.D., L.H.D.
President
"Hello!!"

BROOKS QUIMBY, A.M.
Professor of Speech

"Let me see your organization."

NORMAN E. ROSS, B.S.
Bursar

*"We'll take it into consideration
when we redecorate."*

EARL H. ROVIT, A.M.
Instructor in English

*"You have to experience sin, sickness,
and death."*

HARRY W. ROWE, A.M., L.H.D.
Dean of the Faculty

"I still haven't heard the whole story."

RICHARD W. SAMPSON, Ed.M., A.M.
Instructor in Mathematics

"Rough!!!"

WILLIAM H. SAWYER, JR., Ph.D.
Professor of Biology

*"That cat must have been abnormal,
unless, of course..."*

LAVINIA M. SCHAEFFER, A.M.
Associate Professor of Speech

*"I can make more mistakes; I've
had more experience."*

ESTHER D. SCHULTZ, Ed.M.S., R.N.
Assistant Professor of Nursing
"It behooves you . . ."

DON A. SEASTONE, Ph.D.
Instructor in Economics
"By virtue of . . ."

ROBERT D. SEWARD, A.M.
Assistant Professor of Spanish
and French
*"These deceptive cognates can be
very embarrassing."*

WALTER SLOVENSKI, A.M.
Instructor in Physical Education
for Men
"The way I used to do it . . ."

D. ROBERT SMITH, M.MUS.
Associate Professor of Music
"You're flat and sluggish!!!"

FRANK O. STRED, JR., A.M.
Alumni Secretary
"I do most of my work in the Den."

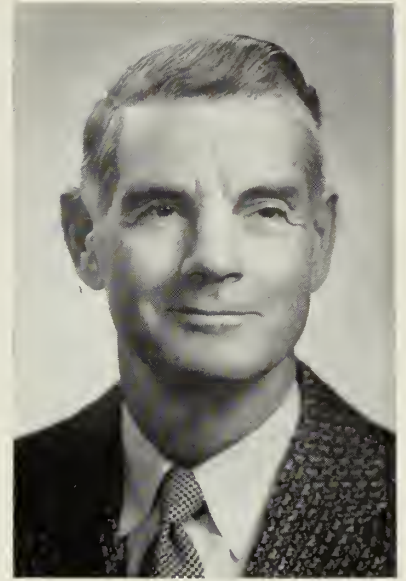

JOHN A. TAGLIABUE, A.M.
Assistant Professor of English
"I fall into words like boats. . ."

WILLIAM B. THOMAS, Ph.D.
Associate Professor of Chemistry
"If you vary one per cent, it's worth an 'F'!"

C. RAY THOMPSON, A.B.
Instructor in Physical Education for Men
"I knew a fellow once. . ."

ROBERT B. WAIT, A.M.
Assistant Professor of Biology
"Breakfast at 4:30 A.M. for the bird walkers."

LENA WALMSLEY, A.M.
Professor of Physical Education for Women

"Remember, girls, no red after seven."

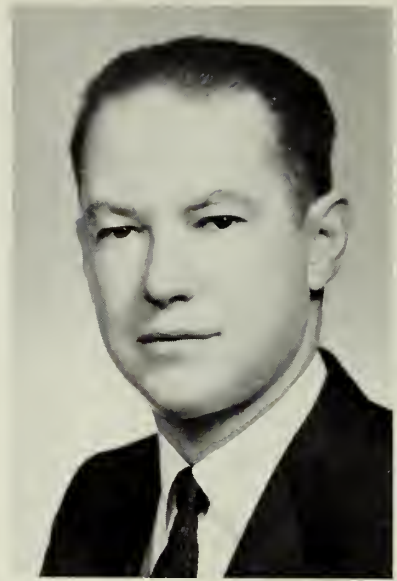

PAUL WHITBECK, A.M.
Professor of English

"Did you find any examples of long range optimism?"

PERCY WILKINS, A.M.
Professor of Mathematics
"So's I'm not talkin' to m'self . . ."

JOHN R. WILLIS, Ph.D.
Assistant Professor of Cultural
Heritage
"Like it?"

KARL S. WOODCOCK, Ph.D.
Professor of Physics

*"When we attach this thing to this
one it should work."*

EDWIN M. WRIGHT, Ph.D.
Professor of English

" . . . now I squash maple seeds."

RAYBORN L. ZERBY, Ph.D.
Professor of Religion
Chairman, Cultural Heritage Sequence
Director of Chapel

"This is an ongoing process."

Ivy Day Ode

*Above the mushroom clouds which blot the sun
Flaming and coursing in changeless change
From star to star the light reflects and burns
Heaven into Time's infinity.*

*Beneath the spreading murk and twisted pain
Crumbling coughing buildings melt in the sunless
Flame which flickers in the naked voices
Shunning the permanence of rock and light.*

*If in the transient fog a break occurs
And brings the timeless into time,
The rock becomes the fertile loam which sprouts
Straining ivy brick-climbing through the cleft.*

*When ivy gropes against the weathered stone,
Grows from the racking hurt of brief mortal sounds,
It seeks the liberty of azure height —
Untrammelled blue which strokes the tops of leaves.*

*Today we plant the leaf and turn to leave
The spot reborn and swelled with green-clothed hopes
Caressing the wood and stone in the ascent
Which bridges now to past and still to be.*

*We turn and pause perhaps in mute appeal
To those who watch on college hill and field
And to Whoever makes this plant to grow,
Pause and walk yet never fully go.*

*We stay here in the leaves and twist and turn
Spring after snow bathing the halls in soft
Verdant glow, curl and grasp the topmost edge
Bending to feel what lies above the dark.*

*Ivy body is our spirit searching
Upward and in the craggy niche for firm
Support from which to feed the questing self
And nurture it to freedom and to Man.*

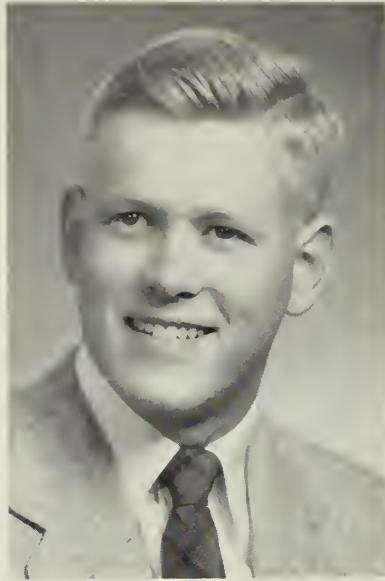

*Today we plant the ivy;
In the soil remains a bit of ourselves.*

DONALD S. GOCHBERG

ADRIENNE ANNE ADAMS
Edgewood, Rhode Island
English

"Do you feel all right? Just checking."
"I feel like an elephant on a tight rope" . . . *"Any calls for me?"*

Football

Bates College football fans will remember the 1954 season for two reasons: freshmen athletes were allowed to participate in varsity competition, and the team won the last two games of its schedule. These two factors were instrumental in placing Bates in second place in the State Series, thereby giving the Garnet its most successful gridiron slate since 1948.

The Bobcats opened their season in an unimpressive manner and bowed to Norwich University 18 - 6 on Garcelon Field. Bates stood on even terms with Norwich during the first 30 minutes of play, but the Cats succumbed to two second half touchdowns and the loss. The game, marked by numerous fumbles and intercepted passes, saw Bates' only score occur in the second period via a forward pass from Captain Bob Chumbook to Jim McGrath.

Rain-soaked Huntington Field in Brookline, Massachusetts, was the scene of the next battle for Bates. Northeastern University, pre-game favorite, emerged with an 18 - 14 victory; but not before the Bobcats had offered stiff opposition. The Huskies held a 12 - 6 half-time margin. Bates had scored on a lateral play from quarterback Dave Higgins to Bob Atwater. The Cats added two more points in the third period when freshman end Pete Jodaitis nailed a Northeastern ball carrier behind the goal line for a safety. Following a Northeastern touchdown, Paul Perry crossed the goal line from the five yard stripe to end the day's scoring.

At Waltham, Massachusetts the following week, Bates began football relations with Brandeis University. However, the Judges outclassed the locals and walked off the field with a 20 - 0 victory. The Cats were not able to penetrate the Brandeis defense for a score, and a pretty 79 yard touchdown run by Bob Martin was called back as a result of a clipping penalty.

Home fans were disappointed the next Saturday as Bates had to settle for a 7 - 7 deadlock with Middlebury. The Garnet had defeated the Panthers the two preceding seasons and were seeking a repeat performance. Ace runner Bob Martin scored from the five yard line to give the Cats a 7 - 0 halftime lead. However, the invading forces tallied in the third period on a forward pass-lateral play and added the extra point to knot the score. The Cats were within the Middlebury 10 yard line on three occasions but failed to score. A feature of the game was a brilliant goal-line stand by Bates in the final minute of play.

State Series time rolled around once again, and the University of Maine was installed as pre-series favorite. The Black Bears lived up to expectations and soundly trounced Bates 35 - 0 at Orono. The Cats were simply outclassed against the up-staters and could never get a scoring drive organized. Bates gave little indication of what was to come in the next two games.

A winless Bowdoin eleven invaded Garcelon Field against the Cats in the annual Back-to-Bates game with both clubs anxious to break into the victory column. The Hatch-batch grabbed an early 6 - 0 lead. Freshman quarterback Tom Vail heaved a pass to end Brian Flynn. The latter eluded two would-be tacklers and darted into pay dirt. The Polar Bears came right back and after punting to Bates, intercepted a flat pass for their first score. The extra point was added, and the teams left the field at halftime with Bowdoin leading 7 - 6. The scoring was thick and furious in the third quarter. The Black and White, deep in its own territory, attempted to punt; but Flynn was in to block it. Center Gene Soto picked up the loose pigskin and raced over the goal line unmolested. But Bowdoin was back minutes later and scored on a pass-lateral play. The scoreboard clock showed less than three minutes remaining when Coach Bob Hatch inserted Dick Southwick in the lineup. With the ball deep in Bowdoin territory, the freshman place-kicker attempted a field goal; and the ball sailed cleanly through the uprights. Thus Bates gained its first football victory over Bowdoin since 1947 and made the "Homecoming" fans well satisfied with the season's most thrilling battle.

Captain Bob Chumbook

Bates Scores

Fresh from its Bowdoin win and liking the sweet taste of victory, Bates completely dominated play as it thoroughly whipped Colby 28 - 13 in the Garcelon Field wind-up. Taking the opening kickoff, the Garnet displayed strong offensive power and marched down-field for the first touchdown, Martin carrying over from the five. The latter, a running standout all season, intercepted a Colby pass in the second period on the Bates five yard stripe and dashed 95 yards for another score. Martin and Higgins scored two more in the second half as Bobcat fans went wild with delight. Thus Bates took over second place in the State Series and ended the season in grand fashion — a two game winning streak.

Perry Ready For The Kill

Captain Bob Chumbook was forced to end his playing days early in the season with a recurring knee injury. Chummy was an able leader and stood out as one of the best small college punters at the time of his forced retirement to the sidelines. Other Bates players who wound up their collegiate careers included Dave Higgins, a fine quarterback and passer, who stole the show in the Colby game by intercepting four passes and chipped in with dazzling running; Bob Atwater, a three-year veteran; Gene Soto, the most improved ball player on the club; Ralph Froio, a consistent threat at end; Dick Barton, a 200 pound stalwart in the middle of the line; Paul Barbara, a steady operative at guard; and Art Paton, who for three years was one of the state's outstanding linemen.

On The Sidelines

Pete Stevens, a standout on defense during the entire season, was elected captain of the 1955 team. A sparkplug in the Bates line, Stevens demonstrated his leadership ability by his fiery play.

Thus, after two so-so seasons, the conscientious efforts of Bobcat mentor Bob Hatch were well rewarded by the team's sparkling performances in state series play. Bates had long been showing its ability to take defeats in stride; the 1954 Bobcat was able to lick its chops with determined victory.

Standing, (left to right): Robert Addison, Coach; T. Vokes, B. Hoadley, W. Callender, J. Manteiga, K. White, A. Pearson, mgr., D. Bryant, mgr. Seated: R. Davis, G. Taylor, J. Hartleb, B. Dunn, D. Smith, T. Moore, S. Gilman.

Basketball

The 1954 - 55 varsity basketball team faced a modified schedule of 19 games, four less than last year. The new freshman rule which allowed the first year men to compete in varsity contests proved to be a definite advantage.

The opening game found an inexperienced Bates club matched against a strong St. Michael's. After a poor first half, the team found itself and made a very good showing but failed to overcome the lead that was piled up in the preceding period. The final score was Bates 59, St. Michael's 74.

In the next contest it was evident that the opening game jitters had been forgotten as Clark succumbed 47 to 57. Instrumental in the win were freshmen Kent White and John Manteiga, who contributed 16 points apiece. The latter came off the bench and proceeded to throw in an array of jump shots that made quite an impression on the fans and Coach Addison, who hereafter included John in the starting lineup.

The next game, at the University of Maine, ended with Bates on the long side of a 63-59 score. Jack Hartleb was high man for the Bobcats with 19 points. The sophomore marksman displayed one of the finest shooting eyes in the state and continued to do so throughout the season. A deciding factor in the game was the defensive play and ball hawking of Kent White, who stymied the Maine players in the last four minutes of play to assure the victory.

Captain Bob Dunn

The remaining two games of the first round in the state series were lost by slim margins. Bowdoin came out on top 55 - 53, while Colby was better by a 64 - 57 score. In the latter game the home forces led at the half 30 - 21 but tired in the final stages of the game to lose to the eventual series winners.

The team cracked into the win column again after Christmas recess when M. I. T. fell 38 - 49 in the lowest scoring game of the season. The remainder of the road trip was not as satisfactory, with games being dropped to Williams and Amherst.

The most encouraging win of the season took place at the University of New Hampshire, where a combination of the freshmen and sophomores prevailed over the opposition in a hard-fought game which saw the Bates team rack up their highest mark of the season in the 85 - 77 triumph. Hartleb with 24, Manteiga with 23, and scrappy Ralph Davis with 13 led the Bobcat scoring parade. It was an indication of what the team could do next year with that same determination.

The second round of series play began with a 79 - 53 thumping by Colby, followed by a two-point loss to Bowdoin again, 62 - 60. It was Don Smith and Tom Moore who led the team in the first of these games with 13 points apiece. 'Smitty' hit his high of the season in the next game, netting 23 and turning in a fine all around performance. He had the distinction of being the only senior on the squad and was a strong rebounder throughout the year. Maine bowed again 79 - 60.

Smitty Is Fouled

Anxious Moment

There was only one win out of seven games played after midyears. This was a 69 - 56 triumph over Northeastern. Captain Bob Dunn, who was exceptional off the boards all year, chipped in 14 points, Hartleb again taking scoring honors with 20. Losses were to Brandies, Trinity, Coast Guard, and the three state series contenders. The last game with Colby was lost by a mere four points, 67 - 63, and was considered by many to be one of the finest games played in the last few years.

Tom Moore Rebounds

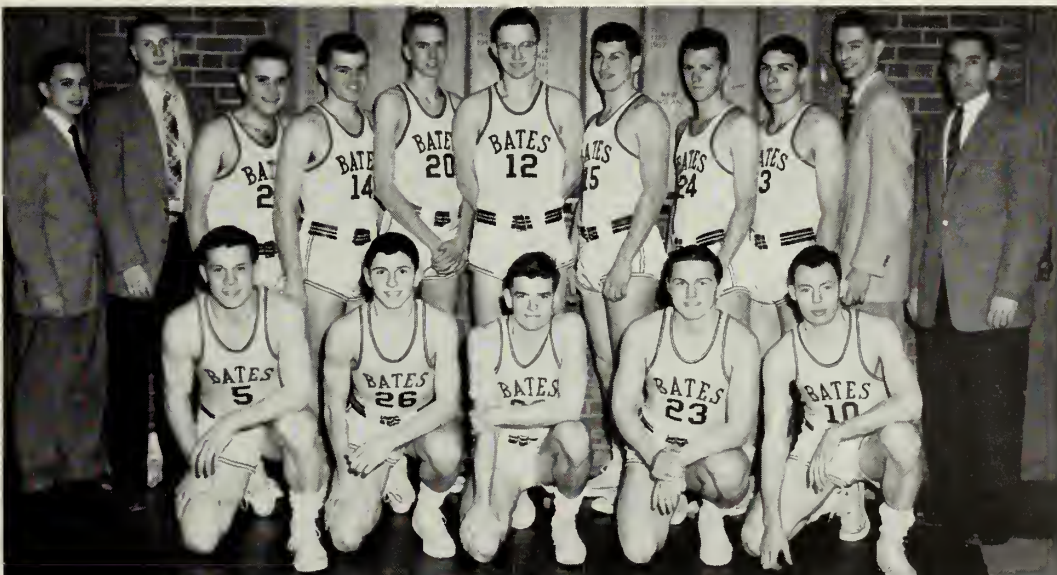

John Manteiga boosted his scoring total to 291 with his 24 point effort in this last game, and this was the high total for the year. He also shot an excellent 38% from the floor and was a great asset in the rebound department. Sophomore Jack Hartleb was close behind his teammate with a total of 280 for the season. He was a fine all-round performer and along with John was named to the all-state team. They will be a valuable pair next year.

Other players who will have a lot to offer are Will Callender and Bill Hoadley. The former has good height and an accurate one hand shot that should be put to use in the future; while the latter will make another good backcourt hustler, along with Ralph Davis and Kent White. White is to be especially commended for his defensive work and aggressive ball-hawking.

Except for lone senior, Don Smith, the team will remain intact for the coming year, with Gene Taylor, Tom Moore, Tom Vokes, Sol (Pep) Gilman, and Captain Bob Dunn returning also.

Junior Varsity

Standing. (left to right): D. Moses, mgr., A. Cook, mgr., P. Main, G. Adams, R. Bailey, P. Allen, J. Kirsch, J. Welch, P. Perry, H. Levine, Coach Leabey, Kneeling: A. Desantis, J. DeGange, J. Muth, N. Jason, B. Haines.

Track

The Bates Bobcat finished the 1955 Winter Track season in fine style to place a happy ending on an otherwise unsuccessful campaign. The loss of Senior Captain and star weightman, Ed Holmes, was the primary reason for the Bobcat's one and four record as most of the meets were lost for lack of talent in the weight events. The season was highlighted by a surprising upset win over Tufts College.

Outstanding performers of the season were Doug Fay in the 600 yard run, Don Foulds in the broad jump and pole vault, Jim Riopel in the mile event, Phil Cowan and Woody Parkhurst in the weights.

The Bobcats traveled to Orono for their first meet of the year against the University of Maine. The overwhelming superiority of the Pale Blue caused Bates to acquiesce 89 - 37. The victory served notice that Maine would again be the team to beat in the state. Doug Fay scored a double for the 'Cats in the 300 and 600 yard events, and his outstanding performance brightened an otherwise dreary day.

In their second encounter, the Garnet entertained the University of New Hampshire. The Bobcat performance was much improved, but they lacked the depth needed for victory and lost 67 - 51. Cal Jodat and Doug Fay proved outstanding for the home forces as Cal took a first in the 1000 and Doug a first in the 600. Fred Beck helped out by taking a second in the broad jump.

Northeastern, one of New England's strongest track teams, became the third opponent to take measure of the Bobcats. Again Bates' nemesis was in depth and lack of weight event strength.

Captain Ed Holmes

Barwise Clears It

Against the Bowdoin Polar Bear, Bates put forth its finest effort of the season but succumbed 68 - 49. Sophomore Don Foulds highlighted the meet by his fine performance in the pole vault and broad jump, winning both events. Jim Riopel won the mile, Stan Barwise the high jump, and Doug Fay the 600 yard run to round out the day's activities.

Beck And The Broad Jump

The season's final meet was held at home, and the Garnet overcame the Tufts Jumbos for the only win of the year $64 \frac{2}{3}$ to $52 \frac{1}{3}$. Meet records in the 600 yard run and mile event were broken by Doug Fay and Jim Riopel respectively. Woody Parkhurst won the hammer event, and Foulds the pole vault and 40 yard dash.

The steady improvement shown by the Bobcats at the end of the season was encouraging, and the outlook for Spring Track was considerably brightened.

Relay Team

D. Bailey, J. Riopel, W. Slovenski, Coach, J. McGrath, P. Wicks.

Baseball

Captain Em Atwater

A stiff schedule faces the Garnet baseball squad this spring. With a strong battery, a good infield, and an outfield of the uncertain variety, hopes are high for the coming season. The strong point on the squad seems to be the battery. Led by returning veterans Fred Jack, Dave Higgins, Bob Dunn, and Dave Crowley, the tossers are expected to repeat last year's fine showing. Slated for action behind the plate is last year's all-state selection, Bob Reny.

Heading a fine infield is Bob Dunn, who batted .438 to lead the state in that department last year. Spence Hall at shortstop and Captain Emmett Atwater at second make up one of the best keystone combinations in Maine. The third base position is wide open, but among the candidates is Ed Dailey, who hit over .400 on last year's Frosh team.

In the outfield, veterans Tom Moore and Gene Soto lead a group of promising candidates in what is a wide open battle for starting berths.

With a new coach in the person of "Chick" Leahey and a nucleus of returning veterans, the Bobcats should improve on last year's five wins, ten losses record.

All but two players are returning from the 1954 squad for the Garnet, whose season featured a 1 - 0 victory over the University of New Hampshire. Two wins over arch-rival Bowdoin were also among the highlights of the '54 season.

The fine five-hit pitching of Fred Jack stood out as the Bobcats defeated Colby 2 - 1 in last year's state series, one of the great thrills experienced by the followers of the baseballers. Many such games may be expected of the 1955 Bates Varsity Baseball team, which promises to be one of the best fielded by the Garnet in many years.

Intramural Council

Left to right: Tony Parinello, Jack Hartleb, Peter Wicks, Phil Tetu,
Jim Weiner.

Intramurals

It is hoped that the 1954-55 school year will go down in Bates history as the birthday of a comprehensive and well-organized intramural system. This year the Student Council adopted a dorm-centered point system which will yield at the end of every year an All-Intramural Champion. The Student Council's intention was to establish a permanent system to be run by elected dorm managers, who would act as the Intramural Council. It is hoped that this body can arrange the type of program the men desire and gain the maximum use of time and facilities which the Athletic Department has available. This year the scheduling and statistical work has been well handled by Jack Hartleb.

Points were picked up throughout the year in football, volleyball, basketball, and softball leagues. Token points were gained by the dorms for men who participated in inter-collegiate sports. Points were also awarded for the inter-class track meet and the Chase Hall Tournaments.

J.B. was undefeated in football with Roger Bill close behind. In volleyball it was the reverse situation with Roger Bill on top in the play-off with J. B. Smith North and Bardwell racked up points in the inter-class track meet, and a Bardwell team headed for the basketball crown.

Competition was close and rivalry strong as classmates divided temporarily to defend the honor of their dormitories. When the scores were all in and the points added up, it was an exciting year for intramurals and a good start for the new system.

J. V. Miller, Coach; R. Froio, J. Klein, A. Parker, H. Meline, L. Niles, L. Wilsey.

Women's Athletics

Women's Athletic Association

The Women's Athletic Association each year sponsors a well rounded program of sports for the Bates co-ed. In the fall season, field hockey, hiking, and biking take the spotlight. Skiing, skating, basketball, and hockey take over for winter sports enthusiasts; and this year a special feature was added. The WAA board challenged the Stu-G board to a basketball game at the beginning of the winter season; Stu-G won the contest by a score of 18 - 15.

The rousing spirit of competition was continued through the winter season as the women's dorms contended for the inter-dorm basketball championship. At the end of the volleyball season, the champions of East Parker challenged the team from J.B.; and in the co-ed volleyball game last February, East was soundly whipped, 50 - 24.

Two national, five local, two associate, and three intramural basketball ratings were earned by twelve members of the WAA course in refereeing this year. Following a few weeks of instruction by Ruth Haskins, about eighteen girls practiced their techniques at the inter-dorm games—officiating, timing, and scoring—and received WAA credit for their efforts. Ruth not only coached her referees to a successful finish to their training but also earned her national rating, along with Ann Fitton.

The annual ski trip was held March second and third at Black Mountain in Jackson, New Hampshire. Twenty girls enjoyed the two day ski holiday, which included ski instruction and trail skiing. After a winter with only a fair amount of snow, the sports enthusiasts turned to the spring sports, tennis and golf, with credits given for hours spent playing both.

Besides the regular sports schedule, there are such special features as intercollegiate sports programs, swim programs, and Betty Bates night. Again this year Bates took part with the other Maine colleges in the Play Day held at the University of Maine. The WAA synchronized swim club presents an annual aquacade to Bates students and faculty. This year the newly-named "Bobettes" are under the direction of Ione Birks and Catherine Parker. The fiftieth anniversary of the WAA was the theme carried through Health Week and the Betty Bates night program. After a fashion show presented by the freshmen, the new Betty Bates, Margi Connell, was introduced by Betty Bates of '54.

Our Special Senior Dedication

To you, JOHN RANDOLPH WILLIS, our "Dr. John," we seniors make a special dedication. While you did not share your "freshman" year with us, we graduate together now, in 1955, leaving Bates to future classes and other professors. Most of us seniors have alternately suffered through and enjoyed "Cultch" with you, one semester or another; all of us remember mass lectures when Bach was whistled, and you struggled with attendance-taking.

Your love for music, and your willingness to bring that love to us in Sunday listening sessions; your understanding of the problems which always seemed so big to us, and never proved too small for your consideration; your readiness to lend a hand when Adam Smith or Kant became too much; our chats with you over coffee in Bardwell or the Den — these are the things, some little and some less insignificant — that we cannot forget about you. You've found a place in our hearts because you have been more than an academic figure—you have been a real person and a true teacher; for along with scientific, industrial, and French revolutions, you have taught us the value of ideas. Within and outside your lectures, we've discovered outlooks that can guide our knowledge. We have realized that facts alone lock learning in an ivory tower, and we thank you for giving us ideals by which to live.

As Dr. John R. Willis, assistant professor, you have made a place for yourself as a respected faculty member; but beyond this, we have made a place for you among us, because of what you are. While we admire your ability to maintain status as a prof, never overstepping the barriers which must always be between us; we remember you for the personal contacts we enjoyed so much, because you stand for the best in student-faculty relations. It is to the friend, adviser, good listener, the man who gave our education an extra push toward completion, it is to "Dr. John" — as one of us — that we make this dedication with our appreciation.

Bates Fabrics and Bates College

The fine Bates name, the "brand name" of our products and your students, comes from our common ancestor, Benjamin E. Bates.

We who make fine cotton and rayon fabrics for all America are proud of the close ties between college and company. May they continue for all time.
